

ARIZONA REGION SCCA

IMPROVED TOURING-E RULES

The intent of this class is to give cars prepared to the Improved Touring (IT) safety specifications but not listed in the IT Competition Specifications a place to run.

- A. Eligible cars include World Challenge, IMSA Firehawk, Touring, and other Showroom Stock (SS) cars that have not been classified in appropriate specification books. Other cars may be eligible at the discretion of the Chief Scrutineer and the Chief Steward.
- B. **All cars entered must comply with all safety rules in the current SCCA General Competition Rules (GCR) and Improved Touring specification books.**
- C. All cars must run on DOT rated tires.
- D. Production/GT category cars on street tires are not allowed.
- E. Improved Touring-E cars must display the class designation as *ITE*.
